

COVID-19 POLICY

Effective may 19th

The **door will remain locked** at all times, no walk-ins.

We are accepting **booked appointments only**.

Please wait 2 Meters (6 feet) away from the door until your **stylist invites you in**.

Pre-screening of COVID-19 is required for all customers and staff before entering the studio.

You will be rescheduled should your present any **symptoms**.

Our occupancy is **3 persons** only. Please arrive with one small item only.

Please use **hand sanitizer** or proceed to the sanitized washroom to wash your hands immediately after you enter the studio.

Both clients and stylists are required to **wear a mask**. Please bring a mask with you. If available a disposable mask will be provided. If none are available you will have to reschedule.

All capes, towels, brushes, combs, scissors and tools have been sanitized to **BeautySafe BC** standards.

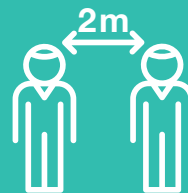

All items in waiting area have been removed for **your safety**.

Please do not touch **retail products**. A stylist will help you with your purchase.

One stylist and one client max. per shift.

2 Meter distance is in between each station. Please stay in your designated area for your entire service. **No walking around**.

Sinks, stations, chairs, tools and bathroom are **sanitized** between each appointment set.

The **entire studio is sanitized** at the beginning and end of each shift per stylist.

When using the bathroom please **close the toilet lid before flushing**. Wash your hands according to the guidelines posted in the bathroom.
